The U.S. Representative on the Economic

U.S. Mission to the United Nations

Dear Ambassador Reed:

Ambassador Liechtenstein called yesterday to advise me of his conversation with you concerning the Soviet presence in the UN secretariat. He indicated that he will be sending you the unclassified version of our work on this subject, which was published by the Senate Select Committee on Intelligence.

I regret that I was unable to meet you when I visited Ambassador Walters at the mission a few weeks ago. As I indicated to Dick, if there is anything we can do to help you, please let me know.
